Cool Desert Nights Celebrates its 16th Year!

The 16th Annual Cool Desert Nights sponsored by the Tri-City Regional Chamber of Commerce will take place at the Richland Uptown, June 25-27. Last year Cool Desert Nights had over 800 cars registered and 15,000 people attend throughout the weekend. Their goal is to do even better in 2009!

Toyota of Tri-Cities and HAPO Community Credit Union come together again as title co-sponsors of Cool Desert Nights. "Cool Desert Nights is a great community event that we are proud to be a part of again this year," says Dwight Marquart from Toyota of Tri-Cities.

Ron Hue from HAPO is also thrilled about returning to this growing event. "We are happy to participate in such a wonderful local event that is growing Nationally and Regionally."

The Cool Desert Nights street dances will feature Mike Harvey, presented by Toyota of Tri-Cities for Friday night. Mike Harvey is the host the Super Gold Show, America's longest-Running weekly syndicated show. Randy Linder will perform a tribute to Creedence Clearwater Revival Saturday night.

This car show is open to vehicles of all makes and models. Additional information about the event and how to register is available by contacting The Maurer Group at 509-783-4676 or going to the Cool Desert Nights website at www.cooldesertnights.com .
