

Business Solutions

CI Solutions assists your company by handling routine or repetitious jobs. This frees up your staff time and resources to concentrate on the business of doing business!

- Small piecework or project assembly
- Applying decals to products
- Order fulfillment
- Collation of information packets
- Preparation & processing of direct mailers
- Packaging, repacking and assembling items
- Labeling of boxes, packages or newsletters

CI Solutions is a division of Columbia Industries (C.I.), a local non-profit organization whose focus is to develop the employment skills of people with disabilities. Building on their "unique abilities," we provide vocational training that will lead to community employment.
