

FREE SKIN CANCER SCREENING TO BE HELD AT THE TRI-CITIES CANCER CENTER IN MAY

Kennewick, WA – (April 20, 2010) According to the American Academy of Dermatology over 1 million new cases of skin cancer will be diagnosed in the United States this year. Fortunately, most skin cancers, including melanoma, can be cured if detected early. Tri-Cities Cancer Center will be holding a free skin cancer screening on May 8, 2010, from 9 a.m. to 12:00 p.m. Dr. Sidney B. Smith, a board certified dermatologist, will examine patients for signs of possible skin cancer.

The event is open to the public and free of charge. Tri-Cities Cancer Center is dedicated to offering skin screenings to area residents to promote early detection and better health.

Participants are required to make an appointment and can do so by calling (509) 737-3420. Tri-Cities Cancer Center is located at 7350 W. Deschutes Ave., Kennewick.

Media representatives can contact the Tri-Cities Cancer Center Resource Center staff at (509) 737-3420 or Stephanie Williams with ClearSource Marketing Solutions at (509) 735-5095 to schedule an interview or visit.

****Due to the sensitive nature of our work and respect for patient confidentiality - please call ahead when planning to visit the Tri-Cities Cancer Center for the purpose of interviewing and/or covering an activity. The department manager and/or a member of the Cancer Center outreach staff will assist you. We appreciate your understanding and cooperation.*
