Doc Hastings to Speak at Regional Chamber Luncheon

Tri-Cities, WA – The Tri-City Regional Chamber of Commerce will hold its State of the Congressional District address on August 12, 2009 to an expected audience of over 250 business leaders. Please note this luncheon is not on the typical 4th Wednesday of the month. The date was changed to accommodate Congressman Hastings's schedule. Don't wait to make your reservation, as we expect this luncheon to fill up quickly.

Guest speaker, Congressman Doc Hastings, will update attendees on some of the successes and challenges faced in the 4th District during the past year and his hopes for the upcoming legislative session.

The Tri-City Regional Chamber of Commerce holds a monthly membership program, *Network Tri-Cities*, which is open to the public. The issues discussed at these programs change each month and include topics such as: State of the Cities, State of Education, Small Business Month, State of the Ports, State of DOE and Legislative Review, to name a few. The programs are designed to help keep Chamber members abreast of changes, challenges and opportunities in our community.
