Regional Chamber to Hold Monthly Luncheon on “Benefits of Rivers: Fish, Wildlife, Agriculture & Renewable Energy”

Tri-Cities, WA – The Tri-City Regional Chamber of Commerce will hold its November Network Tri-Cities Membership Luncheon on Wednesday, November 18, 2009 to an estimated audience of over 200 business leaders at the TRAC in Pasco. The program will be **“Benefits of Rivers: Fish, Wildlife, Agriculture & Renewable Energy”**. This luncheon will feature Terry Flores, Executive Director of Northwest River Partners. Northwest River Partners is an alliance of farmers, utilities, ports and businesses that promote the economic and environmental benefits of the Columbia and Snake rivers. They also support salmon recovery policies based on sound science. The Partners’ goal is to promote salmon recovery policies and actions that benefit salmon and a strong, healthy economy. This luncheon is a great opportunity to get the latest news on the dam breaching movement, the effect of the administration review, and any subsequent decision by Judge Redden.
