Regional Chamber to Hold Monthly Luncheon on the “Mid-Columbia Smart Energy Initiative”

Tri-Cities, WA – The Tri-City Regional Chamber of Commerce will hold its October Network Tri-Cities Membership Luncheon on Wednesday, October 28, 2009 to an estimated audience of over 200 business leaders at the Three Rivers Convention Center in Kennewick. The program will be **“Mid-Columbia Smart Energy Initiative.”** As the Hanford cleanup progresses and the associated budget shrinks, a new “smart energy” business line would be an excellent fit for our region. Attend this luncheon to hear about the current coordination efforts taking place by many regional entities to prepare our community for the future.
