“Business Development University is an umbrella under which we are able to offer workshops and seminars to the community. Nearly 85 percent of our members employ less than 15 people and therefore most of the topics will be geared toward the small business owners, states Lori Mattson, President and CEO of the Tri-City Regional Chamber. Our members told us what topics they were interested in, so that’s what we are delivering.”

Those interested in attending this seminar should call the Chamber office at 736.0510 or email info@tricityregionalchamber.com.
